SECONDARY TRANSFER INFORMATION 2022

Please read this document in conjunction with our Admissions Policy

ENTRANCE TESTS FOR SECONDARY TRANSFER IN SEPTEMBER 2022

If you are applying under Criteria 2, 5, 7 or 8 then you are strongly advised to enter your son for the school's admissions tests. Before registering for the admissions tests, please ensure you live permanently in one of our postcode areas. Please refer to our Admissions Policy for further information.

The school's admissions tests are administered jointly by The South West Herts Admissions Consortium. You will need to register with the consortium if you are interested in applying to any of the following schools: Watford Grammar School for Boys or Girls, Parmiter's School, St. Clement Danes School, Rickmansworth School, Queens School, Croxley Danes. Your child will sit one test regardless of which school/s you may later apply to, they will not sit a different test for each school.

The website for registering with the SW Herts Consortium will open on 12 April 2021. It will remain open until 18 June and you can register your child at any time in that period. There is no advantage in registering on the first day; indeed if too many parents try to do so, the website might not cope with the demand.

Late registrations will not be accepted

The website address is: www.swhertsschools.org.uk

PLEASE NOTE: application for the South West Herts Consortium Schools tests is **not an application form to any school**. Your secondary transfer application to your preferred schools will be made in October 2021.

The Academic Tests

The tests, Mathematics and Verbal Reasoning, have been specially devised for the consortium schools and cannot be obtained by the general public. No minimum score will be required to gain admission; places are offered strictly in descending order of candidates' standardised test scores. Familiarisation questions and further information regarding the academic test is available on the SW Herts Consortium website.

Musical Aptitude Test

Information for applicants under Criterion 7 (musical aptitude) is given in of our Admission Policy. There is also information regarding the types of questions on the SW Herts Consortium website.

Please note this is an aptitude test, not a test of musical ability and we do not require any information about the instruments or standard to which your child plays.

You will be informed of the test centre in July 2021 and this is allocated by postcode. The test centre allocated has no bearing on your eventual school preference and cannot be changed.

Special consideration/access arrangements for the test

If your child usually receives special consideration, for example extra time, to complete a test, you will need to provide evidence of the need so that appropriate provision can be made. This must be supported by a letter from your primary school Headteacher or SENDCo. You are required to send support arrangements immediately after test registration, by Friday 18 June at the latest. Please scan and send a copy of the written evidence quoting your child's full name, date of birth and South West Herts Reference number by email to

enquiries@swhsregistrations.co.uk

You will be informed of any appropriate special arrangements which will be made for your child.

If your child is not able to attend the academic/music test due to compelling religious or medical reasons, you should notify the Exams Officer at the test centre you have been allocated as soon as possible. Your child will be offered one other test date. We are unable to change the date of the test due to a clash with another school test.

If your child is ill on the day of the academic/music test, you should notify the school that you have been allocated as soon as possible and you will be offered one other test date.
